Dear NorCATA Workshop Attendee,

When consulting recently with the Board of Behavioral Sciences on an unrelated matter, the Northern California Art Therapy Association was notified that the PCE number we have been using since 2001 for continuing education certificates is incorrect.

Approval was given by the BBS to write and send this letter with the correct PCE number to participants of past workshops sponsored by NorCATA. The correct PCE is #2637, and this letter can accompany all certificates from NorCATA, serving as confirmation of the correct number.

We apologize for any inconvenience and look forward to seeing you at upcoming workshops and conferences. If you have any questions, please feel free to contact me at programs@norcata.org, and I will be happy to answer them.

Sincerely,

Deborah A. Sharpe, MA, ATR-BC
